

# Africa's Last Colony

## Human Rights Defender Speaks Out

Join us for an evening with Saharawi human rights activist, Malak Amidan, as she talks about the situation in Western Sahara, one of the longest and most neglected conflicts of our time.

Malak will expose the systematic political, environmental, social and cultural human rights abuses endured by the people of Western Sahara

### Organised by:

Australia Western Sahara Association  
Centre for Peace and Conflict Studies

Thursday 17<sup>th</sup> May
