Dear Mr Abdelaziz

It is with great sadness that the Australia Western Sahara Association heard this week of the passing of Mr Mahfoud Ali Beiba, President of the Saharawi Parliament.

We offer our sincere condolences to the Polisario Front and to his family. We acknowledge his great commitment to the people of Western Sahara, his significant work as leader and founder of the Polisario Front and his negotiating efforts at UN peace talks with Morocco. We are certain that he will be greatly missed.

With best wishes and in solidarity,

Lyn Allison

President

Australia Western Sahara Association
