# **WESTERN SAHARA**

**WAR, NATIONALISM AND CONFLICT IRRESOLUTION**

**BY STEPHEN ZUNES & JACOB MUNDY (SYRACUSE UNIVERSITY PRESS)**

*This major new book brings up to date earlier studies of the conflict in the last colony in Africa, using extensive field work both in the part of Western Sahara occupied since 1975 by Morocco and in the refugee camps where half the population fled.*

*"The Western Sahara is one of the world's last vestiges of colonialism. In this thoughtful and impressive analysis, Stephen Zunes and Jacob Mundy provide valuable insights on the importance of enabling the people of the Western Sahara to determine their own future through a democratic referendum." (the late Senator Edward Kennedy)*
